Welcome to the newly added 2021 meet being held at Malcolm. We look forward to hosting this tournament and ask for your cooperation with the COVID practices we have in place. Masks will be worn everywhere in the school, except by those wrestlers competing. Please note the room assignments, and the eating rules for everyone in the building.

If we are found to be violating the COVID protocols we have submitted to the Lincoln-Lancaster County Health Department, the meet will come to a stop while the situation is addressed. As a Lancaster County School, Malcolm Schools must follow the directives of LLCHD. Malcolm Schools can have athletics shut down if any of our guests are in violation of the protocols as well. Protocols have been attached to the email that this information arrived in.
