

Central Elementary School

Traffic Pattern Information

2020-2021

General Guidelines

- In the best interest of our students' safety, we will be unloading or loading on curbsides only.
- Buses will load and unload on F Street (west side) parked in the middle of the road
- **Reminder:** We would like traffic to flow one way around the school EVERY DAY during arrival and dismissal times. Traffic travels from west to east on 9th street, one way. Traffic moves from north to south, one way on G Street. Traffic moves east to west on 8th street.
- The empty parking area north of Central Elementary School (9th Street) is parking for staff and parents.
- We are concerned for our student's safety at all times. All parents and students are asked to **only cross at crosswalks** on each corner of the school. Please refrain from crossing in the middle of the street or crossing in the middle of an intersection with students

School Bus Guidelines

- School buses will load and unload on F Street (west side of school) before and after school. No parking on F Street (west side of school) before, during or after school.

Morning Drop Off

- Vehicles shall drop students off on 9th Street and G Street curbside only. Please stay in a single line and wait until an adult meets you at the car to greet your student and let them out in one of the designated spots.
- Please allow students to exit the vehicle on the west side (passenger side) of your vehicle only to ensure their safety
- When pulling out of a designated spot please watch for other vehicles that may be coming up the side to fill into an open spot

**If for some reason a student is unable to be dropped off before 8:05 a.m., please drop off or guide the children to the front entrance on F Street (west side).

Afternoon Pick Up

- **All drivers picking students up should please remain in your car and an adult will walk students to the car.** Please only pick up in the designated spots where an adult will be standing so traffic is not backed up.
- Kindergarten will be picked up on 9th Street on the north side of the building.
- 1st and 2nd will be picked up on 8th Street on the south side of the building, curbside only.
- PreK will be picked up on G Street curbside only.
- Any older siblings will meet their youngest sibling at their designated spot. For example: Kindergartner would meet a PreK sibling at G Street. A 2nd grader would meet their Kindergarten sibling up on 9th Street.

Thank you for your consideration and compliance of these safety guidelines. Should you have any questions, please contact the school office (402-729-2418).

Patty Smith
Principal
Central Elementary School
