## About TeamMates:

Tom and Nancy Osborne founded the TeamMates Mentoring Program in 1991 in an effort to provide support and encouragement to school aged youth. The goal of the program is to see youth graduate from high school & pursue post-secondary education. Mentors are volunteers from the community who have dedicated themselves to making a difference in the life of a young person. Mentors give youth a sense of hope, purpose, and vision.

## **Don't miss the tradition!**

All proceeds from the Husker Rehab Turkey Trot will benefit the Fairbury TeamMates Program which is currently serving 20 youth.
