FAIRBURY COUNTRY CLUB

A great season is planned for the Fairbury High School Junior Golf Program (current grades 3-6) in 2022. At this time, I'd like to take a moment to describe what the program is all about and what type of instruction will take place.

The *Youth Golf Program* will run four consecutive weeks from Thursday, June 2 to Thursday, June 23. This covers a four-week period with each day starting at 9:00 a.m and ending at 10:30 a.m. Golfers receive instruction in a wide-range of aspects of the game, compete in daily challenges, and play golf. The emphasis will be on playing and learning the game.

Cost for the program is \$30.

Schedule of Events

Thursday, June 9
Thursday June 16
Thursday, June 23

Rules, Safety, Etiquette, and Putting
Gripping the Club, Chipping and Pitching
Irons & Woods on the Driving Range
Additional Instruction and Skills Competition

Additional Information

We hope this will be a quality educational program for your children, and we encourage only those who want to learn about the game of golf to sign up. Any golfer who shows a lack of respect for the game or lack of respect for any other golfers will be kindly dismissed from the program. We also encourage parents to attend the sessions with their child as often as possible.

If rain or lightning becomes an issue on junior golf mornings (drizzle is not a problem), a decision about cancellation of that day will be made as early as possible. If there is a question about cancellation, feel free to call Jed (402-587-0444).

The *Youth Golf Program* will introduce the golfers to the basic fundamentals, rules, and etiquette of the game. The program will run for four consecutive weeks and consist of instruction and playing time.

We look forward to teaching each and every student that signs up for the *Youth Golf Program*. We feel that the future of the game starts early and every one of them will benefit from this program. We hope to see a lot of golfers sign up and attend the 2022 youth golf. For additional registration forms or questions, contact **Jed Martin (402-587-0444)** or login at fairburyjeffs.org.

Explanation of Daily Instruction -Each day etiquette and rules will be addressed.

June 2 –We will be teaching putting, chipping, and pitching. The proper grip, stance, posture, and set-up will begin the instruction.

June 9 –We will focus on hitting irons and woods. Golfers will receive instruction on how to hit irons and woods. The proper grip, stance, posture, and set-up will, once again, begin the instruction.

June 16 –We will be focusing on previously taught lessons on putting, chipping, irons, and woods with a skills competition in each area. If time permits, we will play a competition.

June 23 – We will review the lessons and play golf. This will not be a nine-hole round but will include as many holes as time permits.
